Tewkesbury Academy
Learning equipment list

At Tewkesbury Academy you will need to be well-organised and make sure that you have everything with you each day. All students are expected to have the basic equipment with them in a suitable hard-wearing school bag. Most students also have an additional draw-string bag for PE kit days.

In your bag each day, you should have subject exercise books, any homework, pencil case, calculator and your reading book. You should also bring a refillable water bottle.

Phones to be turned off during the school day and kept in the bottom of your school bag.

It's important to write your name on all your equipment so that things don't get lost, or if they do, they can be easily returned to you.

Please contact the office via info@ta.clf.uk if your child needs medication in school.

You should have the following items of stationery in your pencil case:
Most of this equipment can be purchased from the online school shop via the website.

Students must have the following, which will be checked every morning in tutor time.

- School bag (black)
- A pencil case
- 2 black pens
- 1 green pen
- 1 pencil
- 1 ruler (30 or 15 cm)
- 1 scientific calculator
- Tewkesbury Academy Art Book for use in KS3 art lessons

Items not permitted in school but will be needed at home:

Pencil sharpener
Pair of compasses
Scissors
Felt pens

We recommend creating storage space at home to keep all the extra uniform, PE kit, books and equipment so that it is easily accessible when packing the school bag each day.
